Presidents News

June 2023

Hello Mustang Family! Not a whole lot went on in May as far as car shows. We have made progress on our club sponsors. Banner signs signed on for another year and so did Shelter Insurance. I picked up checks from both. Shelter has offered give aways and goody bag stuffers when they come in. I also have a few stuffers from Banner signs. If anyone wants a sign for their vehicle that they show , Banner is the place! They did the sign for my Roush and for many vehicles at the World of Wheels. If you decide, just get with Stuart and he can make it happen. Let's all get together and get more goody bag stuffers and door prizes for our show. Keep the shiny side up...Tom

A Bit of Cents

From the Treasurer "Tina"

The car show season is upon us! As you all make the rounds to the various shows, please remember to carry some of OUR show flyers with you and pass them out!!

The more entries we have at OUR show in September, the more funds we raise for our charitable giving – remember that's what we're about!

Additionally, as you frequent the restaurants and stores around town, why not introduce yourself as a member of the Red River Classic Mustang Club and ask if they would like to donate some coupons off, maybe some goody bag items, one or two items for door prizes or if they would like to sponsor a particular trophy or prize for our show! In return, we will advertise their business in our newsletter, on our website, at the show and announced by the DJ... it's such a simple thing, but we have to do it, doesn't happen by itself!

Our MCA show season kicks off next weekend in Albuquerque, NM – Chris and I will be heading that way and doing a little sightseeing on the way and some more on the way back – seeing the USA the MCA way!

Remember to aspire to inspire before you expire!

Tina

Fitzing To Hit The Road

Albuquerque, New Mexico is calling! There is an MCA national show there in early June and your Secretary is planning on going. Thanks to Rusty and others the old gal is roadworthy again and anxiously awaiting the word go about June 5th.

Google Maps said it is 885 miles and will take 12 hours and 54 minutes to get there. That is a long trip. Better plan an overnight along the way. Should I take a tent and stop at a park along the way? Or should I "big boy up" and pay a hotel to let me stay there? Decisions, decisions, decisions I need a little help.

Well boys and girls, Sally (my 64 ½ convertible) made it to Florence, SC and Evans, GA last year. So why not Albuquerque? Just another mile down the road!

There are several of us from RRCMC going in June. Some are flying. Don't specifically know if anyone is going to drive their pony, and everyone has a newer one than me.

But as you can see from the photo I have my bags packed, or almost packed. Didn't forget the TP and I have to find room for the coffee pot. I checked and the lead hotel doesn't have K-Cup makers in the room. So, I must bring my own and a big bag of Community and New Orleans French Market Roast. Therefore, if you come to New Mexico, look me up for a great cup of Java from home.

Later this year there are MCA shows in Florida and Kansas plus one up north in the heartland somewhere. If you don't shine up and show your Stang, you might look into it. It is a whole bunch of fun. And being able to tell everyone at the show field "Yep! I drove here all the way from Louisiana!" is an added bonus.

From Rusty RRCMC Vice President

This was to be the final installment via Motor Trend's special about special series Fox Body Mustangs, but I found another Special Edition. This month is about Motor Trend's info of the 1992 "Summer Edition" Mustang LX. As a midyear model, technically, is a 1992 1/2 Mustang. Picking up where the 7-Up left off in 1990, this automatic-transmission, Summer Edition "Stang" could only be had in Vibrant Red and, of course, with an Oxford White ragtop and Arctic White (with all-new black piping) leather interior. It also has 16x7 Opal Pearlescent White Superior aluminum five-spoke wheels. Added for 1992-and-subsequent convertible Fox-body Mustangs were a black inner-liner for the top, and body-colored Aeroquip rear spoiler on the decklid, which replaced the black luggage-rack/spoiler combo.

Next month should be the final installment dealing with the Canary Yellow Mustang LX.

We're still gathering door prizes, goodie bag stuffers and sponsors for our show in September at Rountree. Time is getting short.

Also, don't forget our members headed to New Mexico for the MCA show this month. May they have a safe, memorable adventure.

Keep the ponies on the Road!!

RRCMC Vice
President

Hey everyone I hope that all the Mothers had a wonderful Mother's Day. May 6th, we had five cars that went to the Four States Museum in Texarkana, Arkansas. We had a great time and all five cars got top three in their class. So, I wanted to say congrats to everyone that placed. Then we raced back to Bossier for our meeting then went to Jan's for dinner. After our June meeting we will be going to Tamolly's for dinner at 7. June 10th there is a car show at Marshall Ford from 9AM to 3PM, \$30.00 to enter. June 17th there is a car show on Barksdale Air Force Base. If anyone wants to cruise as a group, please message me and I will put your name down. I also need yall's help getting goodie bag stuffers and give aways. Show shirt designs are needed as well. I have already stated my idea. Last but not least, please keep Mrs. Kay in yall's prayers as she is still upset about her mom passing.
