## FROM THE PRESIDENT'S DESK

The first month of the 2014 is over, and what a way to start off the new year with a win once again for best club display at World of Wheels. There were two other participants this year, Beat the Heat and the Mopar club both took second place. I want to thank Mark Winderveed, Gene Brock and Lane Butler, the master minds behind our display theme. That rotating pony was such a bear to create, and turned out so fantastic, that I am going to have to set up joint custody among the creators to quell the fighting over who gets to keep it in their garage or shop.

I also want to thank everyone who helped make the cake, the rotating sign and spent all their Saturdays the last 3 months working on the display out at Mark's shop. I also want to thank Vickie Doss and Rhonda Butler, who put the finishing touches on the display, decorating the cake and the display with all the ribbon, gifts, glitter, and "bling" that I just can't seem to get enough of. I have to have shiny sparkly stuff all over the floors around all the vehicles to keep things busy. And also, much gratitude goes to the club members that put their cars in the display, taking the time to bring in the cars and leave them for several days, and staying at the show all weekend to watch the display.

The show itself went smoothly, with no major glitches, we had plenty of help all days of the show. Unfortunately, the guest celebrities did not bring as many spectators as we would have liked, but even though we were short people on Saturday and Sunday, we were able to handle the traffic. Because of those of you that volunteered your time to work the show, we were able to bring home an additional one thousand dollars for our charities, in addition to the five hundred we

were awarded for best display.

Thank you so much to all who came out for one or several shifts of work during the show. I tried to keep track of who worked extra shifts, and who came in to work unscheduled. Remember, you get credit for each shift you work, so please turn in points sheets to our Vice President indicating how many shifts you worked so you will get your points toward the gifts we give away at the Christmas party at the end of the year.

Next year, we will hopefully be doing a more low-key display, and we already have our eye out for some different cars for the display. We are always looking for fresh clean cars to put in the display. We also try to put in other Fords as well, not just Mustangs, so if you have a car that you are restoring, and will have it ready close to the end of the year, we sure would like to check it out and possibly get it in the show next year. I am also thinking about adding a shift on Saturday and Sunday to shorten the shifts to 3 hours instead of 4 to make the work more manageable.

Once again, our club has come together, and pulled off a great car show along with the help of the Mopar Club, to bring home a nice donation to use for the many charities we donate to throughout the year. Thanks to all who participated, and pat your selves on the back for helping out our community by helping build up our economy.

See you all out there!

Thomas Monahan  
President, RRCMC

## SHOW NEWS

WOW!! In more ways than one. World of Wheels was a great way to start off our show year. The club display was awesome as usual. Thank you to everyone who took time from their busy schedules to help put this together. I also want to thank everyone who worked the show. The club could not be all that it is without volunteers like you.

For those that don't know me, I'm the new show director for 2014. I have big shoes to fill. Erin always did such a marvelous job. I hope I can count on everyone to pitch in like they have done in the past. I plan to delegate most of the jobs and need plenty of help. New volunteers and fresh ideas are always welcome! We have gotten off to a wonderful start and I hope to keep the momentum going.

You may think this request comes a little early, but it is never too soon to be collecting good bag stuffers and door prizes for our Mustang Roundup show in September. My garage (okay, okay - Lane's garage) has a corner dedicated to club stuff, so if you have something, just bring it to a meeting and we will be glad to store it until September. Also, please be thinking of show shirt designs. I'd like to get the design finalized enough to take to the t-shirt guy by May.

Let's all work together to make this year a wonderful tribute to the 50th anniversary of the Mustang.

Rhonda Butler  
Show Director

### PLEASE SUPPORT OUR CLUB SPONSORS

Lite Carpentry • Painting • General Repairs

## MCA NEWS

I just got back from the MCA board of director's meeting in Phoenix. It is held there each year in conjunction of the Barrett Jackson car auction. Barrett Jackson gives the MCA a booth at the auction for our membership drive. It's such a thrill to see all the cars going across the auction stage. You think you've found your favorite car and then another one even better goes across. There were several cars that went for a million dollars. Ah well, it only takes money. I dream of a power ball win. We got to see the first 2015 mustang auctioned off. It was auctioned for charity. It went for \$300,000. Sam Pack from Dallas was the lucky buyer. Besides being an owner of several car dealerships, he also has a car museum that only dreams are made of.

Our World of Wheels display was great! Every year we seem to top the last one done. I would like to take the opportunity to thank Gene Brock for his creativity and all the members who helped with the

project. You all did good!

I was recently contacted by Steve Prewitt, the MCA president, about a group needing to join up with another group for the reserved parking for the 50th. This group is from Brazil and Italy. They'll be joining our group. I've been in contact with Mauricio Sebastiany from Brazil and they are really excited about meeting us. This should be a lot of fun. Wish everyone could join us. We'll take lots of pictures.

We're in our slow time now, so everyone take a breath and relax till the show season starts up again. Weather is unpredictable at this time. Stay well and for sure stay warm.

See you on the road,  
Donna

---

## Congratulations to all the winners at the 2014 World of Wheels, and to the builders of our award winning display.
