

The Pony Express Red River Classic Mustang Car Club May 2019 News letter

FROM THE PRESIDENT'S DESK

Even though I was on call, I managed to sneak over to Bossier City last Saturday for the Asbury Motor Club Cars and Coffee show and shine at the church parking lot. It was a nice sunny day, but still a little too cool with the top down on the 5.0 so I grabbed a jacket on my way out the door. I met up with Jim Miller who was also there in his Mustang. I got there about 8:30 and there were 15 cars total including Jim and I. There were a few other mustangs, along with some vettes, street rods, mopars, etc. I ran into a guy who was working on cloning a Saleen Fox Body mustang. He had just gotten it painted, and had put most of it together, and was trying to decide on whether or not to put the Saleen specific decals on. We talked for several minutes about what we have each done to our fox bodies, and hopefully, he will bring the car out to the meeting this month and look at joining the club. Its a really nice car, and we can always use more club members, especially Fox body club members. After about an hour, I went back to Shreveport to catch the cars and coffee gathering at Dunkin Donuts on Youree Drive. I got there about 10:30, and the place was really hopping. I counted over 50 cars in the parking lot that spilled over into the adjoining business lots along Youree and Southfield. Nicole Ferlito was there for a while, but left before I could see her. Since her GTR has that Daria wrap on it, it's kind of a given she was there even though I never saw her. I also ran into Rob Widner in his Shelby GT350, and Christopher Prest in his 88 fox body daily driver. The paint is gone on Christopher's car, but the interior is

immaculate. He says he is going to get SWB wraps to wrap the car rather than paint it. I can't wait to see how that turns out. Besides our club members, there were about 8 mustangs total in attendance, along with a few exotics. There was an old Jaguar with a straight six engine there, I don't know what the model was, and right next to it was a red Ferrari someone said was the same model 308GTS Tom Selleck drove in the original Magnum P.I. There were several late model Porsches, and a multitude of different imports as well. I even saw a classic VW bug pull up in to the lot as I was leaving. There was something for everyone at the Dunkin Donuts show and shine. The day turned out to be real nice, and on the way home, I had to lose the jacket because by 11:30 the temperature had to be in the upper 70s. Everyone started bugging out shortly after 11am, so I slowly made my way back to my car. I was procrastinating as I needed to get home to work on the yard. Time to go home and break out the lawn mower and get the yard taken care of.

POINTS TO PONDER

April 27, 2019 was a beautiful Saturday for a cruise. Club members Donna Arends and her daughter Ala, John and Dawn Brewer, John and Jeanette Daniels, Jean Hughes, Ernie and Sabrina Lane, Candace Philyaw, Chris and Tina Ponder, Kay Rhame, Mark Winderweedle and Tanya Collier and Rob Widner and Sherrill met at the Texas Welcome Center for a cruise to Avinger, Texas.

Destination: 5D Cattle Company Steak House. Billy and Eunice Taylor were in Jefferson, so they met us there.

Chris led the group for a nice cruise through east Texas for the hour-long drive. We maintained cruise etiquette and kept the group together all the way - Thomas would be proud. The group arrived at Avinger to a small traffic jam as the local wildflower parade was just wrapping up. Once the traffic cleared everyone got parked and we headed in to a great dinner. However, we were informed that their credit card machine was down and we would need to have cash or a check. Donna ended up having to travel about 10 miles down the road to find a working ATM, but got back in plenty of time for a great meal. I didn't hear any complaints about the food and several took home carry-out boxes. This is a great cruise and a great place to eat. If you haven't made either of the two trips that we have made, put it on your list for next time. Donna and I are headed to Dallas for the second MCA National Board of Director's Meeting May 11th. As always, bring us any items you'd like to bring to the national board.

Chris

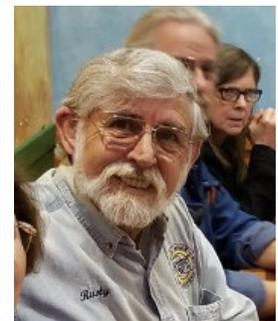

HISTORICALLY SPEAKING

One of the successes of this club has been the participation of its members. In times gone by, we've had many members "flow: through our board to learn how this club functions. Back when I became president, I had some ideas, but wasn't that familiar with how the "flow" worked. Fresh ideas keep our club running and moving forward. Some members were "convinced" to run for a position and others were ready to jump in with both feet. There are no right or wrong ways to participate as a board member. You learn by doing and participating to see how things come together and make things better. As always, I encourage members to get on our board of directors. Let's continue to find ways to make our club better and grow. We're headed toward our 26th annual show, so we've done something right. Talk up our club to fellow Mustangers, remind any of them that most of us didn't start with "perfect" cars and we welcome those working on theirs whether it's a daily driver or a project.

Keep the Ponies on the Road,

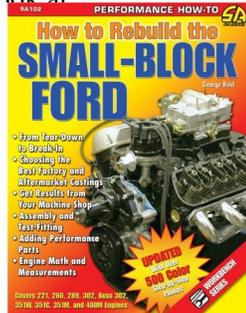

Rusty

Member's Blog

Are you having trouble re-building your Ford engine? If so I found something that may help. Try using the Small Block Ford. This guide can help you on how to rebuild the small block Ford engine. Its always nice to be armed with facts necessary to do it successfully. Much of the engine building is about math machining dimension, compression, rod ratios, bore sizes, stroke, journal diameters, carburetors, port sizes, dynamic balancing and all of the rest of it, without math you cannot successfully build an engine. You can get a copy of the "How to rebuild the Small-Block Ford" for \$29.95. You can purchase the book at cartechbooks.com

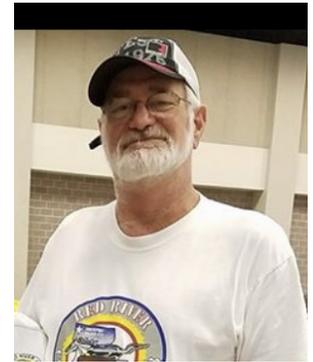

See you under the hood
Billy Taylor

MEMBER'S MEMO

From Tom Hughes

I want to thank the Board of Directors for their vote of confidence in allowing me to join them as a member at large. I have been a club member over 20 years and have previously served as member at large and vice president under two different presidents. I will full fill this position to the best of my ability. I will always be open to answering questions for members and presenting ideas to the board.

Thank You All Again
Tom

"Cruise To Shane's"

The rain kept a lot of members away but didn't stop a few from enjoying dinner at Shane's.

JEAN'S CLEANING TIPS

With the summer approaching, so will the appearance of love bugs and all kinds of insects. One major problem we all have is how to get them off the front of our vehicles. The quickest and easiest way I have found will surprise you. Bug shields will flap around and possible scratch your car. Bugs and tar remover is not only expensive, but messy and a lot of work. The solution is dryer sheets. Get the dryer sheet nice and wet. Rub the dryer sheet against any bugs and they will fall off with very little effort. Spray with detailer, buff and bugs are gone. Try it for yourself and see

SHOWTIME NEWS

Spring has arrived and our club activities are in full swing, we have had a few months to sit back and take it easy but now its time to start planning for our annual PONY ROUNDUP SHOW at Wray Ford, Sept 21st, flyers are available to start passing out, we will start our show committee meetings next month, we invite all members to participate in our show planning, therefore if you would like to be on the show committee we will have a sign up at our May club meeting. Also, it's time to get going on our show shirt designs. These need to be in by the July meeting so that we have time to order the shirts. We are looking forward to another great show this year. It's time to start bringing in our goody bag things as well as door prizes, and auction items. Sept will be here faster than we realize, so let's get busy and make this years show, our 26th, show the best yet.

Just Sayin'
Kay, Show Director 2019

Sabrina's Blog

The car club has been busy. The Ford Mustang Appreciation day event was canceled due to the weather but the event will be rescheduled at a later date. We had a nice cruise to the Five D Cattle Restaurant in Avinger Texas. The weather was nice and the traffic was not bad and we even got to see the end part of a parade they just had roll through the small town. This month we will cruise to Ming's Garden. For the month of June we will cruise to Larry's Pizza and for the Month of July we will cruise to Jan's Restaurant after our monthly meeting. Don't forget the Car show in Stonewall at the Salem Baptist Church. May 11, 2019. I am always up to fresh ideas on what the car club can do. You can email me your thoughts and ideas to sabrina.lane@comcast.com.

See you on the road.
Sabrina

Mustang Facts

1. First Mustang with 300+ horsepower was the 1965 Shelby 306 HP @ 4200rpm2
2. First Mustang with 500 + horsepower was the 2007 Shelby GT500 - 5.4 Supercharged 500 hp @ 6000 rpm — The 412 hp Coyote GT didn't come along until 2011.

There may be some discussion on the "facts, but they would usually be about special models

Going down Memory Lane

25th Annual Texarkana Mustang Stampede

The weather was bad the night before and the road was wet but that didn't stop a few of the RRCMC Club members from attending The 25th Annual Texarkana Mustang Stampede that was held on Saturday April 14, 2018 which attracted visitors from the four state region to admire the mustangs and classic automobiles that were on display at outside the

Central Mall in Texarkana Texas. John Daniels, Jean Hughes, Chris Ponder and

Mark Winderweedle took home a winning plaque from the event.

MONTHLY CLUB MEETINGS

Are you coming to our club meetings? If not, you should join us for our Monthly Club Meetings at 5:30 every first Saturday of each month at the Asbury United Methodist Church in Bossier City. Come join us so you can be up to date on the latest mustang news .

Chris and Mark discuss the upcoming car club events

FIVE D CATTLE COMPANY

It was a pretty Saturday afternoon, The RRCMC members got together and took a nice little cruise to Avinger Texas to the Five D Cattle Company Steakhouse. We had a total of 19 Members join in for this amazing cruise and dinner. The cruise even got a tail end glimpse of the Wildflower Trails of Texas Festival Parade that was going on during the cruise. After the cruise some stuck around for the festival and some headed over to Jefferson for a little shopping. Everyone enjoyed each others company and enjoyed the food.

“Good Job Sabrina on setting this event up for the club”

Red River Classic Mustang Club, Inc
P.O. Box 37724
Shreveport, LA 71133

Thank you for your interest in becoming a sponsor of the Red River Classic Mustang Club, Inc. We are a not-for-profit automotive enthusiast group based in the Shreveport / Bossier City area, with membership stretching west to Tyler, north to Texarkana, east to Magnolia and Monroe and south to Lake Charles.

As a club we support many local charities and causes including the Shreveport Bossier Rescue Mission, Percy Johnson Burn Foundation, St. Jude Children's Hospital, The Gingerbread House, Caddo Council on Aging and the children in the Caddo and Bossier Foster Care Programs.

We have several levels of yearly sponsorship:

Full Sponsorship - \$200

Both shirts and our monthly newsletter. Our favorite!

Club Sponsor - \$100

Your business' name and/or logo will be printed on the back of our club shirt. Your business will be advertised at every club function, and anywhere else club members wear their official club shirt. With over 100 members, you get 100 walking billboards at \$1 each.

Show Sponsor - \$100

Your business' name and/or logo will be printed on the back of the official shirt. We expect over 125 entrants this year, not just from the Shreveport Bossier area, but from all over the five state area. Several out-of-state clubs will have members wearing our show shirts and advertising our show sponsors.

News Letter Sponsor - \$25

Your business card or logo will be printed on our sponsor page in every monthly newsletter for the next year. Our newsletter is sent to all members, all sponsors, and several other car clubs and establishments. This \$25 will help offset printing and postage costs, and your business will get advertised to well over 100 people and businesses every month. Not a bad return on your investment!

The Red River Classic Mustang Club, Inc. was established in 1992 for Mustang, classic Ford and performance Ford enthusiasts. Club membership is open to all Mustang and Ford enthusiasts - ownership is not a requirement.

For additional information, contact our 2019 Club President Thomas Monahan at (318) 797-8385, or visit us on the web at www.rrcmc.com.
