## "The Pony Express"

### October 2023

## Happy Fall RRCMC Fans

Boy did we have an awesome show back on a beautiful Saturday morning on September 17, 2023. It was cool with a morning clouds here and there that kept the hot temperatures away for everyone to enjoy the show. We had a great turn out and we were able to fill up the parking lot.

A big thank you to Rountree Ford for letting us have our show on there Lot for the 2<sup>nd</sup> year in a row. Thank you to all those who woke up early to come up us set up and clean up after the show. We had many winners that took home a trophy.

We had a lot of great food. A big thank you to the VFW for cooking up some delicious BBQ and Thank you to Bayou BBQ for bring their food truck

to serve their yummy stuff. We also had nice cool treat that came in handy toward the end of the show to cool everyone off by having an Italian ice truck to come serve us some cool treats.

A big thank you to Mr. Causey who was able to show up and be our DJ this year. Mr. Causey has been doing our show for years and always does a great job in supporting our club. This year dealership choice walked away this year was the owner of an older Mach.

A big THANK YOU to all of our sponsors who helped make this event happen. Looking forward to next years show.

Hello mustang family ! Another yearly show is behind us. We did well consider no shows for a few years. We had 50 cars which was great with 5 other shows in the area.

Texarkana Outlaws took club participation with 11 cars ! I want to thank them for coming.. enjoyed their comraderies . There were a few hiccups but overall the food was great ,turnout was great , and above all else I believe Rountree Ford was happy .

I appreciate everyone that helped out and look forward to next year.  
Keep the shiny side up ! Tom

**TOM HUGHES**  
**RRCMC President**

It was one of those weeks where everything seemed to go wrong. I had one for my return to Louisiana from the MCA Grand National show in Melbourne, Florida. And it is still going on.

I told many of you at our Mustang Roundup on September 16th that it was quite an adventure driving your old car to a far-off car show. Like the gift that just keeps on giving. Ha!

Sally won gold. With the trophy in the passenger seat, Sally and I left Melbourne on Monday morning, September 11th. Trouble was just up I-75 about 20 miles past Gainesville. Sally sputtered, puked and died. That's her on the wrecker in the picture. We went back into Gainesville and went to 3 repair places before we found Dan at Hugo's Auto. Hats off to Dan. He took me in.

The diagnosis was Sally had blown a coil. Two days and several hundred dollars later we were back on the road. It was now day 3 of a 2-day trip home. Up I-75 into Georgia, to US 82 and eventually to Montgomery, Alabama for the night. Sally was running pretty rough when I filled up with gas and found her a stable for the night.

Thursday morning, day 4 of the odyssey, made it about 50 miles to Selma, Alabama. A Circle K looked like the perfect place to answer nature's call and get another Dr. Pepper. Not so! A panhandler approached and wanted "a little help" and spoke a long winding line of BS. That got me out of my usual parking and getting out routine. He spoke gibberish but Mother Nature called louder, so I went inside, not remembering to check to see that I had taken the key.

He knew I didn't.

While I was seeking relief, the panhandler relieved me of Sally. The potato chip delivery man saw Sally heading out the drive and back up the road to Montgomery. And that is how, after all these years, we parted company.

Will Sally ever be seen again? Will the panhandler be nabbed by the long arm of the law? The answers to those and many other questions will be answered next time boys and girls. Stay tuned to this newsletter next month when we'll hear the panhandler say, "I went to get some more gas and when I came back, someone had taken the car!"

## *A Bit of Cents*

### *From the Treasurer*

Our first post pandemic annual show is in the books! A HUGE thank you to our #1 sponsor and awesome host, Rountree Ford!! I sincerely hope all the attendees enjoyed the show – we certainly thank each and every one of them for coming!

We are so thankful for all our sponsors and show attendees – we will be able to increase our charitable giving (which is what we're all about) as we cruise into the holiday season.

### *MCA News*

The last show of 2023 is this weekend at Heartland Motorsports in Topeka Kansas; it's a combo show and track event and the show points count towards the 2024 show season.

The weekend of 28 October is the regional director's summit in conjunction with the quarter MCA Board of Directors meeting at Barber Motorsports in Birmingham Alabama. This is where the first show and 60 th anniversary will be held next April.

If you have anything for me to bring to the MCA regional directors meeting, let me know! If you haven't signed up to attend the 60 th Anniversary event, hurry and get that done!!

Tina Ponder

## From Rusty RRCMC Vice President

September was a wonderful month for car shows. Several of us attended the Vintage Car Club of Minden's show. It's an open show and had some beautiful rides there. Our club members each brought home a trophy. The following was our show. Our club's first show in the last 2 years. Considering that we were competing with several other shows in the area, we drew a decent number of participants, some came from E Tx, SW Ark and Central La. as well as our local area. We had some glitches ( being out of practice }, but they were overcome. Besides more entries, we really need more club participation for the show. Parking, judging, "gopher", etc.

On another note, Kay and I attended my high school 50th class reunion the last weekend of September. It was a full 2 days of events, a tour of our old school ( with almost another entire school building added to the existing building, WITH A/C, I might add!), fellowship following a parade, class recognition during the Homecoming football game , lunch and fellowship on Saturday followed by a catered Dinner, live band and much reminiscing, story telling ( most of which was true), visiting our Memorial table of classmates that left us too soon, maybe a little dancing while listening to a wonderful band. It's really something to see how much some people have changed while I pretty much stayed my same good looking sweet self---no laughing!!!

Looking for more things to come this year and prepare for next year's blessing upon all of us!

Keep the ponies on the Road!!  
Rusty Rhame,  
RRCMC Vice President

# Kelly's Blog

Well our September went very well. On September 9th some of us went to 2 different car show. Rusty, Kay, Rob and myself met up at Whataburger on North Market before we went to the car shows and we had a good visit.

Rusty, Kay, and Rob went to Minden car show and met up with Phillip, as I went to the El Karuba shiners car show in Shreveport and met up with AL Smith and David Bartlet. We all had a good time and got trophies at these shows.

I want to say congrats from the Minden show Rob got 1st place Kay got 2nd place and Phillip got 3rd place and from El Karuba Shriners, David Bartlet got 1st place and Al Smith got 2<sup>nd</sup>, and myself got 3rd.

Congrats to everyone that went to these two shows, and we made the club very proud. Keep up the good work on showing our club how we do things.

September 16th was our show, and everyone did an awesome and the food trucks had a lot of fun as well. We had 49 cars there at the show and everyone was very happy with the turn out. Next year I would like to make it bigger and better than this year so let's start thinking about how we can do that.

I also want to thank everyone that helped get this show up and running and getting good bags done. On October 7th meeting, we will have a club meeting and going to Tamollys afterwards.
