FROM THE PRESIDENT'S DESK

I hope everyone had a great Christmas spending time with friends and family over the holidays, and hopefully no one lost any fingers ringing in the new year with the fireworks. Even at my age, I can still be a kid, and sometimes take chances I shouldn't where fireworks are concerned. Even so I still managed to have fun without losing any appendages.

In the last month of 2012, I was able to participate in the first stop of the Santa Fun Run before going to Mansfield for their Christmas Parade. At the first stop of the Santa Fun Run we delivered gifts to the Marines who were representing Toys for Tots at Nicky's Restaurant on Viking Drive in Bossier City. Nicole and I went through the parking lots to get a rough tally of participating cars and counted 66 cars at the first stop. We suspect there were more cars that should be counted, but since the weather started out wet and dreary, a lot of folks drove in their everyday street cars which made it difficult for an accurate count. But even so, over 66 cars was a nice turn out for a rainy over-cast day.

Since some of us decided to go down to Mansfield for the Parade, we had to pass on our remaining gifts and donations for the Rescue Mission to other members so we could stay behind at Nicky's to grab lunch before heading down to Mansfield. I decided to brave the weather and put my top down for the drive down south since the sun started to peek out from the clouds and warm things up. It was a nice ride with the top down for the second Saturday in December.

We ended up in Mansfield with 7 Club member cars in the parade. Thanks to Vickie and Kevin, Matthew Jones, Gene

Brock, Jean and Tom Hughes and Sabrina and Ernie Lane who all came out with me to participate in the parade. Next year we need to make it a point to come out again, because the parade route is much longer and more scenic than some of the other parades we participate in, which was a refreshing change.

While we were waiting at the park just off Polk street for the parade to start, we were able to clean up our cars and enjoy a DJ mix of Christmas music along with some rhythm and blues and a little funk mixed in that was being played by some of the parade participants who were picnicking at the park. I know I had a great time dancing around to the music while cleaning my car. After all, we all do this for the fun of it, and the music seemed to put me in the right mood.

All in all, the day warmed up quite nicely, with plenty of sunshine and Christmas Cheer setting the mood as I drove thru the streets of Mansfield broadcasting Christmas music on my Stereo. A nice way to end a great day.

Coming up this month is World of Wheels. We need all the help we can get running the show, so if you have not signed up for a shift or two yet, please contact Nicole Ferlito or me so we can get you on the list. This is a great chance to make a lot of money for our charities, and a chance for club members to start out the new year with points toward that sweet satin Club jacket we give away every year at the Christmas party.

See you out there!

Thomas Monahan

MCA NEWS

As the new year is beginning, I'm looking at the new National show schedule. It looks like a trip is in the making for Beaumont, TX, in April 2013. We'll be leaving Thursday, April 18th and returning on April 21st. So get your hotel reservations made and send in your registration. You can find it in your Mustang Times Magazine. I also have a few copies if you need one.

The second trip will be on Labor Day weekend and that will be at Disneyworld. Those registration forms are already in the magazine and if you are planning to attend, please try to send it out as soon as possible. Don't get caught on a waiting list.

This month the first MCA Board meeting will be in Arizona at the Barrett Jackson Auction. Can't wait to get there!!!! I hope to have much more on the plans

for the 50th celebration. I have a feeling that information will be slow in coming. Hopefully not.

Don't forget to sign up for the world of wheels. We need everyone's help. So please try to do your part. Any amount of time will be appreciated.

See you on the road,
Donna

UPCOMING ACTIVITIES

Happy New Year!

Let's get this year started off with a bang. Tonight after the meeting we are cruising to Marilyn's Place on Fern Ave. I hope everyone can join us. Then it is all about World of Wheels.

I am needing volunteers to help us run the Shreveport World of Wheels. I need volunteers for Wednesday all the way thru Sunday. Here is the schedule - let me know what is best for you. Remember we work this show every year to raise money for our charities and adopt-a-families. Without this job each year we would not have the money to help out our community the way we do but without volunteers to work we will have to turn the job down next year, so please step up and volunteer at least one four hour time slot. Thank you so much for helping out.

Wednesday is floor marking day: 8-2 and 2-6

Thursday is move in day: 8-1, 1-6, and 6-8

Friday finish up set up: 9-1 and 1-4
 Friday at 4:00 pm it's show time: 4-7 and 7-10
 Saturday Show day: 10-2, 2-6, and 6-10
 Sunday Show day: 10-2 and 2-6
 Sunday move out and clean up: 6-10 pm.

After the car show the only thing for the month is our monthly board meeting Wednesday the 16th at Reed Industrial off of Mt Zion Rd. in Shreveport. All members are welcome to attend a board meeting and see what goes on behind the scenes.

Once again thank you guys so much for going above and beyond and working the World of Wheels and working on the display. Remember to put your hours for the display and the show on your points sheets. This is a good way to get a head start in points from everyone else.

Hope everyone had a Merry Christmas and Happy New Year...It's Show Time!
