Presidents Newsletter

Since I was not able to get to any club functions last month, I wanted to report that we have gained several new members in the last two months, so I thought I would report on cruising to dinner after the June meeting, and let everyone know about our Show and shine at one of our Platinum sponsors June 19th.

Following our June meeting, we will be cruising to Larry's Pizza for dinner over in Shreveport. For those new members who come to the meeting, we have a few tips we encourage new members follow when we cruise as a group. Please cruise with your lights on for safety, and we try to cruise at 5 miles below the speed limit so those in the back of the line can keep up. Since we are going over to Shreveport for dinner, if you don't know where we are going, I would try to get a few other members cell phone numbers just in case you get lost or left behind and need directions. Downloading Map quest or googlemaps on your smart phone is also a great idea just in case. We will preplan the route at the meeting that way everyone is on the same page as far as what route to Larry's Pizza is the easiest to follow.

Saturday, June 19th, is our first sponsor show and shine at O'reillys Auto Parts at 8977 Youree Drive. We will meet at 9am and hang out until about 1pm, going somewhere for lunch afterwards. We will work on where to eat the day of the show and shine. If you plan to participate, please bring a chair or 2 to sit in, and plenty of cleaning supplies. If you need new cleaning items, you wont have far to go. Also, please leave all the parking spaces in front of the store for the customers. We can park on the far spaces in front of the store and all along the sides. If we need to, we can line up cars in the side street in front of O'reillys, as it is wide enough to allow what little traffic there is to pass by safely.

I hope to see everyone at our June meeting, and hopefully we can have a great showing of support for one of our platinum sponsors at O'reillys auto parts on the 19th.

A Members Memo

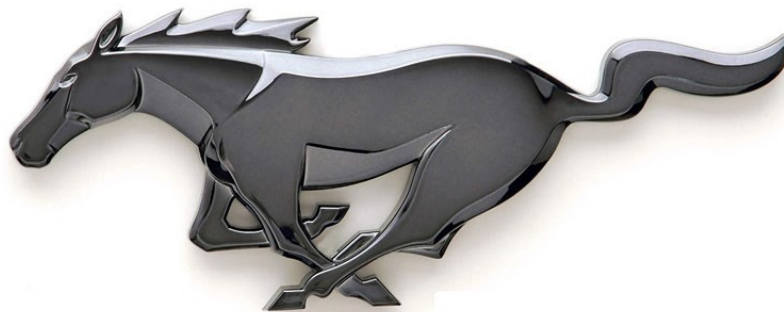

Busy,busy,busy !! The rain we have been getting is driving me crazy. Lots of things to do at our land getting ready for our move.

Every time I plan something to get done...rain. Last week trailer was delivered and tied down . Rain. Tried to build a lean to on side of container. Rain. After 3 days and help from Rusty Rhame and Gene Brock the lean to was completed. Rain . If things dry up I will get crushed concrete delivered to keep mud out of lean to . Working on building front fence but waiting on trailer set up to attach it to. Rain. Maybe it will dry up enough to get stuff done.

In the mean time I am glad to have the help of good friends and club members to help when needed. Keep the ponies on the road .Tom.

From the Secretary's Desk

It Is Good To Get Out to a Show

The sun has finally come out and encouraged your Secretary to get the cobwebs of winter off and get moving. So I did a few "lick and promise" cleanings of the Bullitt and got it out to a couple of shows.

A couple of weeks ago I went to the twirlers benefit car show held at the old Reeves Marine building on the Bossier parkway. It was a small turnout but I got to meet some very nice car people, and one old grouch! I shared the shade and swapped car stories with the downers of a Lotus, Lambo, and Ferrari. The Bullitt drew a few stares and a couple of "nice car" comments but no trophies.

There I met Lance Nix who said he was a member of the club. He entered the loudest car competition. He got into the finals and went head to head with a '36 chevy pickup rat rod owned by Bryan Roppolo. Lance smoked him, or better said **BLASTED HIM!** That is Lance in the silver '67.

Then a couple of weeks later there was supposed to be a Saturday evening show and shine or whatever at Elite Auto. Only a handful of people showed up. Howard Malpass came in his beautiful Coppertone 1966 coupe. Great pony interior and outstanding overall car.

The show was a bust. One of the people there said the word was spread that the event had been cancelled. I had not been to an Elite Show before so I don't have any point of reference. But it was pretty bad. If I wanted some time alone I don't have to drive 100 miles to do it.

A final note, the old gal Sally is back from the resto shop with a fresh sparkle and glow. Got some paint glitches fixed outside and under the hood. Got the bumpers shinned and a bunch more. Now I am at work fixing it up for Eureka Springs in June.

FROM THE VICE PRESIDENT "RUSTY"

That saying about retirement is so true,," How did you have time to work and get things done?" I've been busier than a one-legged cat in a litter box. Between what seems like rain forever, I've assisted with some construction activities with friends, a bit of adjustment on our travel trailer to make it more user friendly, and worked on the suspension of another travel trailer.

We're very much looking forward to the end of July for our group trip to the National Mustang Show in Overland Park, Ks. And **NO**, we won't be buying a new Mustang on this trip!! I've only been able to attend a couple of shows this year and really miss it.

I've also become very involved in our church with being on the committee for choosing a new Pastor. That is very time consuming and in-depth. So see, you definitely stay busy in "retirement". Time for more camping and car shows!!!

Keep the Ponies on
the Road!!

Rusty
