## Presidents News

July 2023

Hello Mustang Family! June was s crazy month.it started with the East Texas Mustang Club show in Marshall, TX. Jean, myself, Rusty, Kay, John, Jeanette, Kelly, and Candace drove to the show. Bad weather was coming so the show was cut short but not before all of us got awards in our classes.

Then came the storms !! We lost power for 5 days. My big generator quit and even with Rusty's help it wouldn't work. The search was on for another one. After about 75 miles and 4 hours I finally found a small one with the help of our new sponsor O'Reilly Auto Parts North Market. The new generator was enough to power freezer and fridge. At night we unplugged fridge and plugged in a small 110 A/C unit in bedroom. We are grateful for all the work and long hours the power crews put in to restore our power. I did my part and carried a cooler with bottled water and handed it out to the crews I came across. We have a new sponsor. O'Reilly Auto Parts on N Market St. They are giving us numerous goodie bag stuffers and more at their grand opening. They requested some cars to display at that grand opening. They will have burgers, sausages, drinks for us. Let's keep them in mind when we get the date. Our show is coming along but we still need door prizes. If everyone could bring one or two, we will have a great show. Keep the shiny side up. Tom

## RRCMC Winners

Early Saturday morning, June 10, 2023, a few Club Members (except Candace) got up and headed west. Candace decided to join us at the last minute. The East Texas Mustang Club held their annual car show at the Marshall Ford, Marshall Texas. We had a total of 5 winners from our club. Thank you to East Texas Mustang Club for putting on another great show.

Winners:

L to R: Kelly Mayo and Bella, Rusty and Kay Rhame, John and Jeanette Daniels, Tom and June Hughes and Candace Philyaw.

## The Long and Winding Road By Club Secretary John Brewer

Friday morning June 9, 2023, your Secretary proudly raised the RRCMC flag at the MCA National Show in Albuquerque, New Mexico.

It was a long drive, about 880 miles to get there. And a very long Thursday cleaning and polishing in the hotel parking lot. Due to a miscalculation, I had parked within range of the sprinklers that bring a touch of green to a parched land. I am sure the grass appreciated it more than Sally did!

Thanks to several lotions and potions that Donna and other club members had suggested all the water spots and pollen came off. Yes, there was pollen aplenty. Everything is blooming out there. They have received much more rainfall than usual. And the hills are alive with the green of vegetation.

Chris and Tina Ponder made the trip without a Mustang. They represented us very well as judges, instructor of new judges and other leadership duties. They are seeing the sights along the way. I wish them safe travels home.

Here are my trip stats:  
Total miles driven - 1,563.3  
Gallons of gas - 109.9  
Miles per Gallon - 14.22

The show field was filled with all kinds and descriptions of Mustangs. Beautiful is the best way to describe it. Note the mountains in the background. The scenery out in New Mexico is something else.

In closing, it isn't that difficult to polish and clean your fine Pony. There are national and local shows this year that still have room for you. You'll meet a bunch of friendly, helpful folks. Just talk or listen and learn. Perhaps you would like to begin showing your car this September at our 27th Mustang Roundup at Rountree Ford. there is an application in this newsletter. See you at the show!

## From Rusty RRCMC Vice President

Our final installment via Motor Trend dealing with limited edition Fox body Mustangs. 1993 Canary Yellow Mustang LX. 1503 Canary Yellow special-edition Fox-bodies were built in 1993. Unlike previous models, this car features a body-color cowl and rear spoiler, with a black convertible roof and leather interior treatments. It also has a T-5 five-speed manual transmission (that's right, it's a one-of-113 stick-shift "Stang0, and the 16x7" aluminum five-spoke wheels that are chrome-plated, in lieu of paint. I'm proud to say that we have one of these in our club.

I'd say we're lucky to have 2 of the limited/special edition Foxes from this overall article in our club.

Don't forget about our show coming in September. Goody bag stuffers and door prizes as well as sponsors are needed.

I'd also like to welcome O'Reilly Auto Parts on N. Market close to Blanchard as a new club sponsor. If you get a chance, stop in and say HI to Tomi, the Manager.

Keep the ponies on the Road!!  
Rusty Rhame,  
RRCMC Vice President

# Kelly's Blog

Well June was better, we had five cars attend the Marshall Ford Show on June 10<sup>th</sup>, everyone placed, congratulations to all. July 8<sup>th</sup> is the Barksdale Air Force Base car show. On July 9<sup>th</sup>, there will be a Cars and Tacos car show. On July 15<sup>th</sup> is our NAPA Beard's show and shine in Coushatta. We still need to get some door prizes for our car show. After our July meeting we will be going to Hanna's for dinner. We also need shirt designs, so we can get our show shirts ordered. Hope everyone enjoys the month of July and have a safe July 4<sup>th</sup>.
