FROM THE PRESIDENT'S DESK

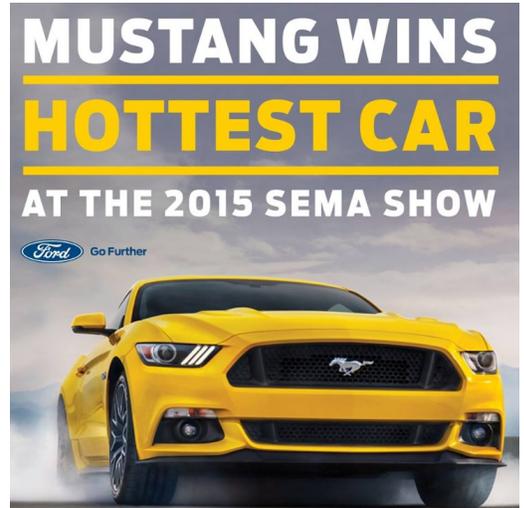

Summer is definitely over, as the hot 90s days have disappeared, and lows in the 50s at night have become more frequent. As I write this article, it is raining outside, something we haven't seen since July. Because of this rain, the one and only show I would have gotten to in October was called due to rain which started Friday, and has continued through Monday. The High Low Fast Slow open car show put on by Nicole Ferlito was called off, and rescheduled for November 21st. I am glad Nicole was able to reschedule that show, because the relentless rain would have made the show miserable, with practically no attendance. Now we have a great show to attend in November, which we can really enjoy because the summer heat is gone.

I have also found out that the 2nd Saturday Marshall Texas downtown cruise in is going to have its last gathering November 14th. I am really happy to hear this, because I have yet to make a Marshall show, always either having prior engagements, or being on call for that weekend. I thought the past October show was the last one, and was pretty disappointed that I had to miss it because I had a house full of in-laws and 11 screaming tweener girls over for Erin's 12th Birthday. I couldn't miss that, after all, an opportunity to hang and visit with the in-laws, and supervise all those pre-teen girls. Did you know girls are so much more disgusting than boys? I was in for a wonderful night of endless frog mating calls, along with the occasional pull my finger joke. I had no idea. If only the Marshall show was an overnight show. I'm not a saint, I've done some of that myself, I'm a typical man that just has never quite grown up. I save that sort of thing for close friends, out of range of the public ear. But it's different when that sort of behavior comes from girls. In public. For everyone to enjoy. It's just not right.

Back to business. Since it is much cooler now, I am thinking maybe we should try to

schedule a Friday night trip to the track for test and tune. Anyone interested? I have mentioned this to the Mopar and Corvette Club, and they are interested. Maybe we can get a friendly bit of racing competition going in November. December may be better, so we can get the word out to the other clubs and get more participation. I sure would like to see a shoot-out between Hellcats, GT500s and some Z06 Vettes. Maybe a Friday in December would be in order.

Our next big show is World of Wheels slated for February 19th through the 21st. This means we will start marking floors the 17th, move in the 18th, and tear down would be Sunday the 21st. I already have several cars lined up, but we need some clean classic Mustangs that have not already been in the show. We can also have other clean Ford and Ford Powered Vehicles in the display, but the owners have to be members of the club first. I had 2 people approach me at the show last year wanting to put their cars in, but as of this year, they are not current club members. If you have a nice clean Ford you would like to put in, or any ideas about a theme for the display, email me at tmonahan@bellsouth.net, or let a board member know.

MCA NEWS

Got back from the regional directors summit in Indianapolis. They brought it there this year because they wanted to showcase the facilities at the track for the 40th MCA celebration. It is one big place. For those who might be thinking of going, you need to get your hotel reservation done ASAP. The rooms are starting to fill up. Don't miss out on a good time. Remember, you can always cancel if your plans change. After the first of the year when I come back from the next board meeting, the plans for the show will be more detailed.

Don't forget about our adopt a family. Vicki should have the list out soon. Remember those who are in need.

Max and I would like to take this opportunity to wish all a Happy Thanksgiving. We count our blessings each year and I'm most thankful for my family and my Mustang friends. Have a safe holiday.

Don't forget to check out the MCA face book. There's lots of stuff on it.

See you on the road,
Donna

OFFICER ELECTIONS

There have been no volunteers to run for any Board of Directors positions for 2016. There will be no ballot in this newsletter and no vote in December. The current board members will continue in the positions they have held for several years. The Club's Board of Directors needs fresh blood. The current Board members have all served for several years and would not be offended by anyone willing to serve in their place. Please think seriously about helping the current board members this coming year, and running for a position for 2017. We are all very dedicated to our club, but it is time to pass the torch.

ACTIVITIES CORNER

Oh the Rain!!!

November is not a very busy month in the lives of car people but there are a few more events before the year is finished if the rain holds out. Here is what is on the calendar for November.

First we start off our month with our monthly club meeting Saturday the 7th held at the Asbury Church on Airline Drive in Bossier City 5:00 pm. We will be cursing to RotoLos on 70th Street in Shreveport for dinner. The second Saturday the 14th is the last Marshall, TX cruise night. We meet at the Texas Welcome Center at 2:00 pm to cruise to Marshall. Our monthly board meeting is Wednesday the 18th 6:30 pm Reed Industrial.

Then the event of the season, the rescheduled High Low Fast Slow Car Show is the 3rd Saturday the 21st of November. Registration for the High Low Fast Slow Car Show opens at 2 pm and awards are at 8pm. We will be having a live DJ from Dance Express, playing low car limbo, 4 local food vendors to make sure you don't get hungry, 10 vendors in the vendor midway to browse, and 5 dealerships bringing their best new cars for you to see. So don't miss out on this event the 3rd Annual High Low Fast Slow Car Show Saturday, November 21, 2015 at the Heart of Bossier Parking lot on the corner of Old Minden Rd and Benton Spur. See you there.

Next month will be our annual Christmas Party. This year it will be at Copelands on Bert Kouns. Remember this is an adults only party so make sure to schedule your baby sitter now and purchase your round robbing gift for the exchange. Also, the Santa Fun Run will be on Saturday, December 12th. We will still be meeting in the same place Sonic on East Texas Street in Bossier City and we leave 10 am sharp.

Happy Thanksgiving
