Summer is winding down and our Show & Shine is coming up fast!

With that being said, we have been blessed this year with more than anticipated in sponsorships – we need to show up to show our appreciation!! Understandably everyone is busy, but our club needs to put on an exceptional Show & Shine!

With the generous sponsorships we have received this year, we will be able to support our charitable causes without “breaking the bank”. Through the year we have taken steps to reduce our overhead and in turn, are healthier for it financially.

Don't forget, we need some giveaways for the Show & Shine!!!! If you're in contact with businesses in your day-to day activities.... Please promote YOUR club and ask if they will donate an item or two, or a gift certificate!!

Chris and I are headed to the MCA Grand National in Evans GA through Labor Day weekend where the Saleen will get her white medallion! We'll see you all at the Show & Shine at Rountree Ford on Sep 17th!

From Tom Hughes Member at Large

Hello Mustang Family !! Even though I have been mobile challenged for a while I was still able to push our Sept show and shine..This is something we can all do with little or no effort. Just copy our flyer off our website and send it on messenger to friends and family. I have gotten very good response and request for reminder. I took flyers that John Daniel's made to QB (Quinton) at Rountree a week ago. Visited there yesterday and they were posted at every entrance , throughout the dealership ,in the service dept , and at dealerships across the street and tire dealer next door. They will move cars so we have the front corner facing Bert Kouns. Let's all do our part to make this event a success !!

Keep the shiny side up. TOM

Come out and hang out with Mr. Biggy Daddy and Miss. Sally at the RRCMC Show N Shine.

Everyone there seems excited.

Rev em up. Hear those pipes roar. And I am still in the driveway!

Heading out on a road trip. At the end I'll pass a playground where kids scramble over a bronze humungous statue of the Wright Flyer. Lordy, Lordy I was in Kitty Hawk, North Carolina. That is where the Wright Brothers achieved sustained, heavier than air flight.

The area is known as the Outer banks of North Carolina. Everybody who lives there has a license plate starting with OBX. There are OBX beach towels, restaurants, and I even saw the OBX Baptist Church.

I went in Bullitt 8.0. What a road car! Lots of unkind miles on the old girl yet at about 2500 rpm she purrs, snuggles down on the asphalt and zooms along at 80. The cops were kindly absent, but the 18-wheelers still wanted to go faster.

Made the 3-day trip over from 6:00 am Thursday to 8:00 pm Friday. Wait! That is only 2 days. I was just in time for the opening event, and reason for the trip, an annual Men's Retreat!

We ate and worshipped our way through Sunday afternoon. We paused a couple of hours Saturday night to dine on some caught-that-morning seafood. Great restaurant. Maybe the club could cruise to there in the future.

Then Sunday afternoon it was back on the super-slab for Louisiana. I took a little more time this time. Made it back Tuesday afternoon.

And Wed morning Bullitt was up before me, put the coffee on and said, "When we goin' again?"

Hey everyone After our lunch cruise to bear creek smoke house back in June I went over to tom and jeans house. Thanks to tom and his kindhearted self he cleaned my engine bay while jean and I sat and talked for awhile. So, for the first time I went to my first car show with a clean engine bay. After our Sept. 3rd meeting, we will be cruising to Notins at 7 for dinner. Then in two weeks is our show n shine at Rountree ford from 8 to 3. I don't know about anyone else but I'm excited about it.
