# President's Newsletter

Once again covid 19 has thwarted our attempts to have our annual Mustang and Ford Round Up at Wray Ford in Bossier city. Due to the Delta variant being so highly contagious, the number of positive cases and hospitalizations has risen high enough for the Governor of Louisiana to reinstate his mask mandate. The latest mandate was supposed to expire September 1<sup>st</sup>, but as I write this newsletter, the numbers while they have been slowly receding, have not gone down far enough so rumors are that John Bel will most likely extend the mask mandate further.

To make matters worse, Wray Ford has been dealing with employee shortages due to the Delta variant, working short handed for the last several weeks, and they are concerned about not having enough employees available to work the day of our show. Even though the show and shine would be an outside event, the concern is that there would be a lot of traffic in and out of the dealership during the show by those trying to escape the heat and or using the facilities during the show. This would be a strain and a risk for the few well employees Wray Ford would have at the time. It is because of this that we the board of directors have agreed with Wray Ford's concerns and have decided to cancel the Mustang and Ford Show and Shine scheduled for September 18<sup>th</sup>.

Hopefully, things will be better next year, and we can start to plan another Show and Shine at Wray Ford for 2022. While I am dissappointed like all of you about having to cancel the show and shine this year, I can understand and share in the concern for Wray Ford's employees as well as our club members and their families.

In the mean time, the North East Texas Mustang Club has set up a show and shine at Marshall Ford in Marshall Texas on September 11<sup>th</sup> to remember the 20 year anniversary of 9\11. The show and shine will be from 1-3pm, then they will cruise as a group to downtown Marshall for the second Saturday Cruise in. I am thinking we could take this a step further, and meet as a club at the Texas welcome center and go to the Jalapeno Tree for lunch before the show and shine to incorporate a lunch cruise to one of my Favorite East Texas restaurants. Stay tuned for emails regarding meeting times and info regarding this show and shine.

As things start to cool off in the fall, there will be other show and shines we can attend as a club to enjoy our rides along with our Mustang and Ford friends.

Thomas Monahan

### **Sabrina's Blog**

ITS BEEN A HOT ONE!!!!!! I got to get away recently and took a vacation to Eureka Springs to relax. The weather was nice sitting across the lake. Then it was back to reality. I'm sure most of you have heard by now the RRCMC Show in Shine has been cancelled to due COVID.

Some of the car club members plan on joining the East Texas Mustang Club for there Show n Shine. Come on our and bring your ponies and let them shine. We will cruise to the Monijunis off Youree Drive after our Club Meeting. Yall stay cool and stay safe.

See yall soon.

Sabrina

# From Rusty RRCMC Vice President

Hi-Ho fellow "Stangers! As the bearer of bad news, it saddens us to report that our Show N' Shine at Wray Ford in September, has been cancelled. Another casualty of covid! Let us hope and pray that 2022 will bring us some calm and get back to normal. I'm pretty sure we'll start our planning in January or February for our show for '22.

Several of us traveled to Coushatta for a Show N' Shine on Saturday, 8/28/2021. It was a first for their sponsor, Beard's Automotive. They were fairly pleased with the turnout of various rides....restored, resto's, ratrods, motorcycles and antiques. They are already planning for the next one in 2022. I'm pleased to have been able to receive the award for Most Club Participation!

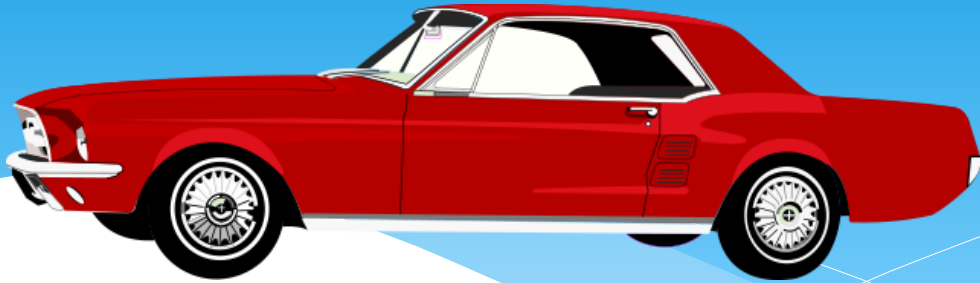

Besides car stuff, Kay and I have been doing a bit of camping with more scheduled on the horizon. Ain't retirement grand!!

Keep the ponies on the road  
Rusty

# A Members Memo

Time is flying by. Seems like I get two steps forward then one back. Slowly getting things out of our container and moved inside. Now the grass has taken off (mostly weeds ) and takes 2 days to cut and weedeat. It's all worth it to get out of the city. We had a great time in Coushatta at the York Chop and Nichols dept store. Food was great and found a hat to cover my bald head in the sun. We wanted to say Happy Birthday and Graduation to our newsletter editor Candace. Keep up the great job !

Keep the shiny side up and rubber side down.

Tom

# From the Secretary

As the Hurrican approached the south Louisiana Coast, my son and his family fled the storm to the safety of Coushatta. As most of you are aware northwest Louisiana escaped all but a little rain.

Not so at the home left behind!

On September first, Zachariah and I bought my big blue pickup loaded with clean up stuff and a trailer full of generator and water and traveled to Houma, LA. Everything was fine until we turned off US 90 onto highway 311.

Destruction: Trees Down, power lines ripped apart from numerous businesses and homes suffered minor to horrendous damage.

His home was not spared. Lots of wet sheet rock and insulation fell from the ceiling into the kitchen and living room. Ceiling is wet in other parts of the house. We have a mess to tackle.

On Monday, God told me to go with him to Houma. That the mustang, OK car show could wait, So I did.

Sorry not much of a mustang column, but family really does come frist. Love to all. I will try to catch up with you soon.

John Brewer  
RRCMC Secretary
